The Babylon Citizens Council On The Arts was founded in 1974 with the mission to provide a variety of cultural programs and services to residents of the Town of Babylon and surrounding communities. The cultural arts encompass a large variety of disciplines including visual fine arts, photography, crafts, music, dance, drama and literature. To encourage participation in each of these artistic areas, BACCA presents events, provides services, offers instructional classes and distributes information. BACCA's annual events include a Judged Art Exhibition, The Long Island Photography Competition and Exhibition, The Paumanauke Pow Wow, The Long Island Bluegrass Festival, a Rotating Art Showcase and the Town of Babylon Teen Theatre (TOBY) Awards program. Throughout the year we have weekly art classes, and writing workshops. BACCA presents children's programs, theater presentations, humanities lectures, vocal and instrumental concerts, and other monthly programs celebrating our diverse cultures. We participate in the Arts in Education programs within the schools and award annual scholarships to students that are planning to pursue the arts.
